Forgot to say met Miss Helen E to Edinburgh on Friday.

Dearest Rene titate her home — over-rated tune as the way Rock. She sent JOR NB her love

Monday. May Day. 1933

I may say what a mage dai an all — wind E·NE. straight fm the Skager Rak & raining into the effin bargain — what of it! Met ar to lunch into Scotland to Coldstream where the Guards come fmm. — it's a long place on the north bank of the Tweed.. nice family wife ma & three nice nice daughters & a little Boy — drove there in car — Balls nearly frozen off but warm Burgundy helped to restore them

Two of the above British car daughters coming to lunch to-morrow here (D.V) — what of it?

Yes I meant I was on the verge of great bulls & bullocks — "big cow" I suppose. — Cots like this as much mm fierce

& evil eyed. — I in entry this alone in Library. first dinner — then being out.

— Bertie Reid never took before me & Uncle wore Kilts. ~~crossed~~

P) Glad ar bits of Pride.. very.

* One only really P.C (second grade) but all tricks nice

* This does not mean I did it like the rags — merely that the other is Column Ended so Sublimatory Immersive & Levely

I do feel any more well — in spite of open air & all that — & no immediate pressure of anything unpleasant so it must be some evil in my brain I think. — don't you? Some kind of an & send Baker Institute sorry but I fear I shant use it at all — & I know the awful curse of slacking it up — but I can't do a hairs worth just can't be done. alackes and alas. I wish I was it putty coloured. & fell- it.

I want to talk about the other proof of Blake — I shall have to wait till we meet — term kind of an & make it up to pages — it looks more like on the big sheet of course — — perhaps a huge page or so — * — or more magic?? — Thanks for very Uncomplaynt — (I humbly wait thy) if this more seem to me jolly good — I don't really understand the engraving — I mean except in a general way because of the greek — 'Making' & what — of Evelyn Hunter — but I don't like the red colour of the cover somehow or other — ~~[illegible]~~ much. Please give Lots of my allofmy

Love to Peter & say I write — can't because business matters which is true seem to be more latest? — Burns is no the Briny Sundays stand — I retain the Lantern Slightness much too & I am [illegible] Ely's glove [illegible] foam & the Blue
